Few areas of Ontario are as ideal for equestrian lovers than the beautiful rolling hills of Caledon. With its proximity to the city combined with tree lined laneways, scenic pastures and gorgeous country vistas Caledon is home to many of Ontario's premier equestrian facilities.

Coopers Ridge Stable is a multi- discipline boarding and training stable located on Horseshoe Hill Road in the heart of Caledon.

Coopers Ridge believes the rider and horse are a team and provides individually tailored coaching and training to help our riders achieve their goals, whether in the show ring or for pleasure.

Aimee Buhler and Coopersridge Lindamo, Jill McGraw and Pax, Katherine McKee and Comical Romance, Sara Madill and C. K. Kings Poco Chick and Demi Kalynowysch and Picasso are just a few of the successful Coopers Ridge riders who triumphed in the show ring in 2013.

Derrick Moran the owner/trainer at Coopers Ridge believes that sound nutrition is of vital importance in the success of the Coopers Ridge program.

*“While our boarders’ goals vary from focused competition through pleasure riding, the training and fitness of the horses to meet these goals is critical. Proper nutrition plays a significant part in this and we selected Brooks Feeds because of their quality, and products designed to meet the needs of different breeds and training levels. A favourite is the “cool” energy from the **“Fibre Omega Plus”** product which delivers on performance while keeping the hotter horses focused.”*
