

Ontario Quarter Horse Named 2007 Canadian Champion

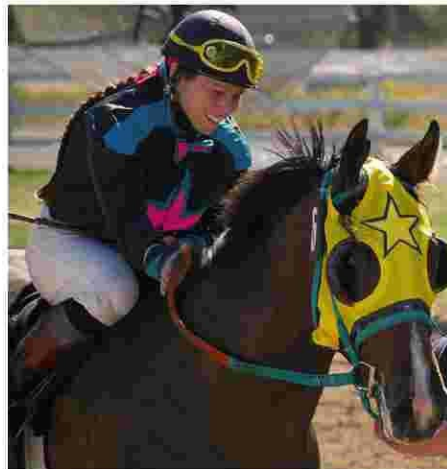

Congratulations to Bill & Belinda Taggart of Uxbridge Ontario. Their 2 year old Quarter Horse filly "First Kool Money" was named 2007 Canadian Champion after an incredible 2007 race record of 6 wins, 2 seconds and 1 third in 9 starts at Ajax Downs and \$97,400.00 in earnings.

With a much greater number of horses and tracks Alberta has dominated this award in the past. "First Kool Money" is only the second Ontario horse to be honoured in this way and the first in 16 years.

Among the highlights in the 2007 year were wins in the All Canadian Futurity and the Alex Picov Memorial Futurity.

"First Kool Money" was raised from weaning on Brooks Performance Feeds and is trained by Don Reid who also uses a Brooks formulated feed.

Congratulations Bill & Belinda! The staff at Brooks Feeds is very proud to have been part of your amazing success.

Feeding Champions is what we do!
