

Brooks Eeze and Fibre O Plus Fuel Champion Endurance Horse

Wendy Benns couldn't have asked for more from her endurance mare Flirt with Fyre. Just one year after having a foal, the classy Arab mare won a 50 mile race with a 20 minute lead on the second place horse.

Flirt with Fyre went on to win two more races in 2019 and capped things off by being named the "Best Conditioned Horse" for 2019 in Ontario.

Soundness, hydration, metabolics, heart rate recovery, weight the horse carried and overall completion time (speed) are factored into calculating the winner of this prestigious award.

Wendy is a favourite customer at the Port Perry Brooks store where she picks up Fibre O Plus and Eeze to fuel her endurance champions.
