Hi Sarah,

Kat - V.D.L Princesz Katerina (Katerina or Kat) Dutch Warmblood is going on 17 this year and we just schooled 1m 10 today morning. I'm planning to show 1m or 1m 10 jumpers this year

I just came back from my lesson from Erin. My coach is so blown away how well Kat is doing. She had bodywork done as well, but her weight and fitness level is really great.

I can't be happier than I am with Brooks.
