

It is with regret that we must announce to our many loyal Quebec based customers that Moulee Performance E.L. has ceased operations as of last week. We would like to thank Eric Lapointe and Alexandra Robitaille for the many hours of hard work they have put in to establish the Brooks brand in their province. The many inquiries both from customers and from interested retailers is a testament to their hard work and of course the unmatched quality of our products.

Agrilogix to carry the Brooks Banner in Quebec.

Brooks Feeds is extremely excited to announce that Agrilogix International Ltee. of Sherbrooke, Quebec has initiated plans to distribute Brooks Feeds and supplements in the province of Quebec.

Agrilogix will service the points of sale previously looked after by Moulee Performance E.L. Alongside Les Moulees de la Montee in Val-Des- Monts, 819-962-3792, they will provide the highest quality “Canadian made” products to Quebec horse owners.

Agrilogix is a private company owned by Dominic Therrien and Mélanie Robidas that has distributed commercial agricultural and consumer products all over Quebec since 1990 out of their Sherbrooke location.

Dominic and Mélanie are looking forward to servicing our existing Brooks retailers with plans to expand to many new points of sale.

Existing retailers and anyone interested in offering Canadian made equine feeds to equine consumers and enthusiasts in the province can contact Dominic or Mélanie at 1610 12e Avenue North, Sherbrooke, J1E 4J6
