

FIT & FIBRE PELLET TRANSITION GUIDE

To streamline our equine feed lineup, Brooks Fit & Fibre Pellet is being discontinued.

Two Brooks feeds are recommended as alternatives — **Leading Edge Pellet Complete Feed** and **Fit & Fibre LITE Pellet Complete Feed**.

The best choice will depend on your horse's individual nutritional needs. Please refer to the comparison chart below.

	RECOMMENDED ALTERNATIVE	DISCONTINUED	RECOMMENDED ALTERNATIVE
NUTRITIONAL FEATURE	LEADING EDGE PELLET	FIT & FIBRE PELLET	FIT & FIBRE LITE
NSC* (Starch + Sugar)	20.70% ↓	20.96%	10.99% ↓
CRUDE PROTEIN [MIN]	14.00% ↑	12.00%	13.00% ↑
CRUDE FAT [MIN]	8.00% ↑	6.50%	6.50% —
CRUDE FIBRE [MAX]	16.00% ↓	20.00%	25.00% ↑
CALCIUM	0.90% ↑	0.65%	0.70% ↑
PHOSPHORUS	0.65% ↑	0.55%	0.55% —
MAGNESIUM	0.36% ↑	0.33%	0.31% ↓
MAGANESE	125 mg/kg ↑	90 mg/kg	101 mg/kg ↑
COPPER	45 mg/kg ↑	35 mg/kg	39 mg/kg ↑
ZINC	150 mg/kg ↑	130 mg/kg	140 mg/kg ↑
SODIUM	0.50% ↑	0.35%	0.40% ↑
VITAMIN A	11,000 IU/kg ↑	10,000 IU/kg	9,000 IU/kg ↓
VITAMIN D	1,100 IU/kg ↑	1,000 IU/kg	900 IU/kg ↓
VITAMIN E	400 IU/kg ↑	300 IU/kg	300 IU/kg —
SELENIUM	0.50 mg/kg ↑	0.40 mg/kg	0.50 mg/kg ↑
BIOTIN	0.32 mg/kg ↑	0.28 mg/kg	0.30 mg/kg ↑
OMEGA-3 FATTY ACIDS	0.92% ↑	0.45%	0.39% ↓
OMEGA-6 FATTY ACIDS	3.77% ↑	2.75%	3.08% ↑

*NSC (Non-Structural Carbohydrates) = Starch + Sugar

WHICH FEED IS RIGHT FOR YOUR HORSE?

- Choose **Leading Edge Pellet** when additional fat and fortification are desired.
- Choose **Fit & Fibre LITE Pellet** when very low NSC and higher fibre are priorities.

LEADING EDGE - Pellet Complete Feed

- Slightly higher-calorie option
- Higher protein and fat
- Fortified with increased levels of key vitamins and minerals
- Low NSC (Starch + Sugar)
- Provides higher levels of Omega-3 and Omega-6 fatty acids
- Contains flax and rice bran

FIT & FIBRE LITE - Pellet Complete Feed

- Slightly lower-calorie option
- Very low NSC (Starch + Sugar)
- Higher fibre
- Flax and molasses-free
- Well suited to easy keepers and horses requiring controlled sugar and starch intake
- Can be used as a partial hay replacement
